Dear Dr. Chen,

I am pleased to formally invite you to participate in the visiting radiologist program at Cedars-Sinai International, hosted by the Biomedical Imaging Research Institute (BIRI) at Cedars-Sinai Medical Center. Your observation and training will take place from August 21, 2025, to November 28, 2025, during which you will engage with our expert faculty in peer-to-peer discussions, observe best practices in imaging and diagnostics, and gain exposure to cutting-edge radiological innovations that enhance patient care worldwide.

We are confident that your participation will be mutually beneficial, and we look forward to the insights and perspectives you will bring to our medical community. Please do not hesitate to reach out if you need any additional information or assistance in preparation for your visit.

We look forward to welcoming you to Los Angeles.

Sincerely,

Yawei Kong, Ph.D.
