Dear Jianwen Deng:

On behalf of the organizers and leadership of the American Society of Human Genetics (ASHG), you are cordially invited to attend the ASHG 2025 Annual Meeting being held at the [Boston Convention & Exhibition Center](#) in Boston, MA, October 14-18, 2025. The Convention Center is located at 415 Summer St, Boston, Massachusetts 02210. By registering for the ASHG 2025 Annual Meeting and receiving this letter of invitation, your intent to attend the Annual Meeting has been confirmed. **Registration must be complete (including issued Visa) by September 29, 2025.**

If you live outside the United States and are a non-U.S. citizen, or if you are a permanent resident (green card holder) of the U.S.: You may be required to apply for a visa or complete additional paperwork to enter the U.S. All visitors to the United States are encouraged to visit the [U.S. Customs and Border Protection website](#) for information concerning the [U.S. Western Hemisphere Travel Initiative](#), [requirements to enter or return to the United States](#), and the [Visa Waiver Program](#).

Apply for a visa now; do not wait. Bring your CV with a list of publications and your registration confirmation to the visa interview. Purchasing flight tickets before applying for a visa does not speed up the application process, but presenting a confirmation is good evidence of intent to attend.

Funding: All ASHG participants are required to pay the registration fee and are individually responsible for all travel costs (this includes airfare, ground transportation, lodging, meals, travel insurance, and any other necessary expenses).

Additional meeting information, including visa application resources, can be found on the meeting website <https://www.ashg.org/meetings/2025meeting/>.

Please remember to include this letter with your visa application. If you have any questions, please do not hesitate to contact us.

Sincerely,

Carrie Morin
